Members of the Judiciary Committee,

I am OPPOSED to SB No. 16 (LCO No. 703) AN ACT ADDRESSING GUN VIOLENCE AND JUVENILE CRIME.  
I oppose this bill because it has 50 pages of infringements on the rights of law-abiding citizens. None of these gun control proposals will actually accomplish being tough on crime.  
This bill targets law-abiding citizens to set them up for failure with red tape and technicalities.  
The title of this bill is deliberately misleading for political and media spin purposes.  
Focus should be on enforcing existing laws on the books.  
I urge you to OPPOSE this bill too.

---

I am OPPOSED to HB No. 5416 (LCO No. 3055) AN ACT CONCERNING BULK PURCHASES OF PISTOLS AND REVOLVERS.  
I oppose this bill because it would restrict the number of firearms a law-abiding citizen can purchase in a 30-day period.  
What if the citizen is buying a collection of firearms from an estate?  
What if the citizen is buying a collectors set of a matched pair of Colts?  
Focus should be on enforcing existing laws on the books and not new laws to harassing law-abiding citizens.  
I urge you to OPPOSE this bill too.

---

I am in SUPPORT of SB No. 388 (LCO No. 2832) AN ACT CONCERNING THE DEFENSE OF A PERSON OR A PERSON'S DWELLING, PLACE OF WORK OR MOTOR VEHICLE.  
I support this bill as I believe it should already be law, and even more so now since the Connecticut Legislature has changed direction and recently passed anti-police legislation discouraging police from doing their jobs and emboldening criminals. Citizens need this to defend themselves and loved ones.  
I urge you to SUPPORT this bill too.

---

I am in SUPPORT of HB No. 5415 (LCO No. 3048) AN ACT CONCERNING THE TRANSFER OF ASSAULT WEAPONS AND LARGE CAPACITY MAGAZINES.  
I support this bill as it makes sense. If a person already has a certificate of possession for an assault weapon and large capacity magazines they should be allowed to legally transfer between other people with the same certificates.  
I urge you to SUPPORT this bill too.

---

I am in SUPPORT of HB No. 5412 (LCO No. 1666) AN ACT CONCERNING THE DUTY TO RETREAT IN A RELIGIOUS HOUSE OF WORSHIP.  
I support this bill as I believe it should already be law, and even more so now since the Connecticut Legislature has changed direction and recently passed anti-police legislation discouraging police from doing their jobs and emboldening criminals. Citizens need this to defend themselves and loved ones.  
I urge you to SUPPORT this bill too.

This is an election year and anyone who votes in favor of further restrictions on law abiding citizens will feel the full impact of our effort to VOTE YOU OUT OF OFFICE.

Sincerely,  
David A. Lemet
